Let's let the SEP Campers
speak for themselves:

*"All of the teachers were outstanding
and I would definitely recommend
this to my friends in
younger grades."*

**Most fun
I've ever
had.**

**"I learned so much,
and all of my teachers
were so much fun
and truly caring."**

I really enjoyed
the leadership of
the sophomore
counselors.

***I applaud all
the people who
made these
four weeks the
best that they
could be.
Thank you all so
much!***

***"Mr. Martin
helped shape
my life in
these few weeks,
and through
him I am a
better man."***

The Saint Ignatius Summer Enrichment Program has served Greater Cleveland for more than 40 years, providing academic, social, and athletic enrichment opportunities to young men between seventh and eighth grades.

Program graduates are typically better prepared for success in eighth grade as well as high school. Staffed by Saint Ignatius teachers, coaches and students, SEP offers academic, social, cultural and athletic enrichment in the following ways:

- Classes including math, reading, English, science, art, social studies, Theology, biology, Latin and Spanish
- Classmates from more than 120 schools in and around Cleveland
- Guest speakers
- Field trips
- Camp Olympics
- SEP All-Star Games
