

Summer Speech-Language Help

June 26th-July 17th

Mrs. Therese Lynch, M.S., CCC/SLP

Students will be scheduled for 30 or 60 minute sessions for four consecutive weeks. The sessions will be scheduled on Tuesdays, Wednesdays, and Thursdays from 9:15a.m. - 12:45 p.m. at Westlake Porter Library. If you have planned a vacation, please make a note, and I will work to schedule make-up sessions during the week of July 24th.

The cost is \$100 for four 30 minute sessions or \$200 for four 60 minute sessions due on your first scheduled session. Students in preschool through high school are welcome. Summer sessions will be one-on-one to focus on articulation, fluency, language, and/or pragmatic language needs. Therapy plans will be individualized based on your student's needs.

If interested, please contact me at tlynch@saintraphaelparish.com no later than Monday, May 15th. In your email, please include your student's name, if you are interested in 30 or 60 minute session, and your preferred day/time. I will e-mail confirmation of your student's day and time.
